**REPORT OF HEALTH AWARENESS RALLY**

## **On the Occasion of World Health Day**

**Date: 07/04/2026**

A Health Awareness Rally was organized by the department of Swastha vritta department, Dr. Shubhangi Patil Ayurvedic College, Korochi on the occasion of **World Health Day** with active participation of students and faculty members.

The rally was conducted with the objective of spreading awareness among the public regarding:

- Importance of health and hygiene
- Healthy lifestyle practices
- Yoga and physical fitness
- Prevention of communicable diseases
- Balanced diet and nutrition
- Importance of Ayurveda in health promotion

Students carried placards and slogans promoting public health awareness and healthy living practices. Faculty members guided the students throughout the rally and encouraged community participation.

The rally successfully created awareness among the public regarding preventive healthcare and healthy lifestyle habits.

The programme concluded with a message emphasizing the importance of collective responsibility towards health and wellness.

---

## **Programme Outcome**

- Public awareness regarding health and hygiene increased.
- Students actively participated in community health promotion activities.
- Awareness regarding preventive healthcare and healthy lifestyle practices was promoted.
- Social responsibility and teamwork among students were encouraged.

## CO-CURRICULAR AND EXTRA-CURRICULAR ACTIVITY COMMITTEE

### REPORT OF STRESS MANAGEMENT PROGRAMME

Date: 24/02/2026

A Stress Management Programme was organized by the Co-Curricular & Extra-Curricular Activity Committee of Dr. Shubhangi Patil Ayurvedic College, Korochi on 24 February 2026 in the Seminar Hall.

The programme was conducted by Mr. Manish Redij on the topic "*Transform Stress into Strength through Body Tapping Techniques.*"

During the session, the resource person demonstrated various body tapping techniques and relaxation methods useful for reducing stress, anxiety, and emotional tension among students

The session included:

- Understanding stress and emotional imbalance
- Introduction to body tapping techniques for relaxation
- Practical demonstration of tapping exercises
- Breathing and concentration techniques
- Positive thinking and self-motivation
- Importance of mental wellness and healthy lifestyle

Students actively participated in the practical activities and experienced relaxation and improved concentration through guided body tapping exercises.

The programme was highly interactive, informative, and beneficial for students in managing academic and personal stress effectively.

The programme concluded with a vote of thanks

### **Programme Outcome**

- Students learned body tapping techniques for stress relief.
- Awareness regarding mental wellness and emotional balance increased.
- Students gained practical methods for improving concentration and relaxation. Positive attitude and self-confidence among students were encouraged.
